

ACCOUNTING (WITH CO-OP)

**ONE-YEAR
ADVANCED
DIPLOMA**

This unique advanced diploma is comprised of our eight-month Accounting program and a paid, four-month co-op work placement. Gain confidence when you work side-by-side with accounting professionals for sixteen weeks during tax season. Set yourself up for success with this unique blend of classroom learning and work experience.

Why should you choose a career in accounting?

- 1 Set yourself apart**
Develop a deeper knowledge and understanding of accounting principles and make yourself an attractive prospect for any business or accounting firm. Work towards your completion of the prerequisites for the Chartered Professional Accountants Professional Education Program (CPA PEP) accounting designation administered by the Chartered Professional Accountants.
- 2 Provide the solution**
Help organizations and individuals manage their finances and plan for their future. This career path takes your interest in the business world and combines it with your excellent communication skills, ability to convey complex ideas in a simple manner and desire to uphold ethics. Learn how to advance in this demanding—and rewarding—career.
- 3 Chart your way**
Learn various skills needed to succeed in the accounting field. Higher-level courses enhance critical thinking skills within a business context. A four-month, paid co-operative work placement in rural Manitoba during tax season gives you real-world experience you can take with you after graduation.
- 4 A career with many paths**
Find opportunities in public accounting firms, banks, trust companies, accounting and internal auditing departments, industrial firms, federal, provincial or municipal offices, school divisions, parochial schools, tribal councils, non-profit organizations and health care institutions, as well as in owner-managed businesses as business/office managers.
