

APPLIED PLUMBING INSTALLATION

**6-MONTH
CERTIFICATE**

Develop your skills in plumbing and pipe fitting. This in-demand, diverse trades program can lead you to employment in residential, commercial and industrial construction industries.

Why should you choose career as a plumber?

1 Learn the many facets

This six-month certificate program will introduce you to multiple trades. Concentrate on plumbing and pipe fitting, while learning about drain, waster and venting systems, water treatment, fire sprinkler systems, water and sewer. Instructors use industry-relevant tools and equipment with an emphasis on safety and protection of the environment.

3 Connect to careers

This program will provide you with the core skills for a multitude of careers with plumbing and heating contractors, industrial piping contractors, public utilities, wholesale suppliers, fire sprinkler installers, and water and wastewater treatment facilities. There is a special emphasis in this program on the role of plumbing in public health and wastewater management concerns, a rapidly growing field that deals with environmental issues.

2 Plunge into learning

Study alongside other Parkland students at our campus in Dauphin. This program boasts hands-on learning using a wide variety of equipment from different trades to assist you in learning the function, installation and troubleshooting procedures.

4 Become an apprentice

Graduates who register as a plumbing apprentice within two years of completing this program may be granted in-school training credit for Level 1 Plumber apprenticeship.
