

# FINANCE

**8-MONTH**  
ADVANCED  
DIPLOMA

Hit the ground running as a licensed mutual fund representative after completing this advanced credential.

## Why should you choose an advanced diploma in Finance?

### **1** Be job ready

Industry exams are written as part of your program curriculum, and you will be licensed to sell mutual funds. Obtain credit from the Investment Funds Institute of Canada for financial planning by registering directly with the organization. Peak employers' interest with an advanced diploma that will give you the skills needed to get to work right after completing this program.

### **2** Pave the way

Become a go-to solution provider for clients looking for financial advice. Hone your research and analytical skills and put them to good use by matching up the right opportunities for the right clientele. Everyone wants financial freedom, and you can help your customers achieve their goals.

### **3** It all adds up

Fast-track your career in the Financial Services industry. Learn the technical aspects of financial planning, as well as the art of personal selling. Apply those skills and knowledge to careers in banking, investments, financial planning, or insurance.

### **4** A global market

Let your career take you anywhere in the global finance industry. Find opportunities working with clients within banks, credit unions, investment companies, and insurance agencies.
