Founded in 1995, the [Assiniboine Community College Foundation](#) is a non-profit charitable organization registered with Canada Revenue Agency. It is governed by board members who are volunteers and community leaders committed to supporting and enhancing the vision, mission and values of the college. They develop support from private sector and individuals, including Assiniboine alumni along with our staff of fundraising professionals dedicated to stewarding our donors' best interests. Through the Foundation, donors have helped students complete their post-secondary education by supporting them with scholarships, awards and bursaries. Today we provided \$677,634 in student awards to 400 students, manage a portfolio of more than \$10 million dollars which supports scholarships, awards, bursaries and capital projects, and provide giving opportunities to provide exceptional learning experiences.
